SUMMIT PAVILION

14' x 14' Model

The artistic beauty of a timber frame structure makes an impression like no other. Add to that the structural integrity that mortise and tenon joinery provides and you have an artisan crafted pavilion to enjoy for years to come. This 14'x14' works well as a cover over a hot tub or as a cozy sitting area, either use allowing you to enjoy the beauty of the curved hammer beam trusses.

Additional standard sizes and custom sizes are also available.
